[Forgot your username/password?](#)

Step 2 Select Company Information

From the Home page, select Company Information on the left navigation menu.

The screenshot displays the Coastal Alabama Business Chamber website. The top navigation bar includes a search bar, a user profile for Mark Jones (Yellow Hammer IT) with an account settings dropdown, and a row of icons for Home, Directory, Events, Resources, Reports, News, and Settings. The left sidebar features a 'Shortcuts' section with links to Personal Information, Company Information (highlighted with a red circle), Hot Deals, Member To Member Deals, News Releases, and Job Postings. The main content area shows a 'Welcome Message' with a 'Read Later' button, followed by a paragraph about ChamberMaster and a 'Summer Glow Event @ The McCollough Institute' announcement for May 21, 2019, with a 'see more' link.

Step 3 Choose Membership Badge

Select Membership Badge from the menu.

The screenshot displays the user interface of the Coastal Alabama Business Chamber member portal. The top navigation bar includes the chamber's logo, a search bar, and user information indicating the user is logged in as Mark Jones. A secondary navigation bar contains icons for Home, Directory, Events, Resources, Reports, News, and Settings. On the left, a sidebar menu lists various account settings, with 'Membership Badge' highlighted by a red circle. The main content area is titled 'Organization Information' and contains fields for company details, contact information, and address information.

Generate

Generated HTML for Website:

```
<div id="mni-membership-636943895356442352"></div>
<script src="https://alabamagulfcoastchamber.chambermaster.com/Content/Script/Member.js" type="text/javascript"></script>
<script type="text/javascript">
new MNI.Widgets.Member("mni-membership-636943895356442352",{member:8048,styleTemplate:"#@id{text-align:center;position:relative}#@id
.mn-widget-member-name{font-weight:700}#@id .mn-widget-member-logo{max-width:100%}}).create();
</script>
```

HTML Element ID

- This is a unique ID for the HTML element that will contain the Membership Badge.
- Used by web designers to customize the appearance of the Membership Badge on your website.
- Use the default value or choose your own.
- When choosing your own ID, keep in mind these guidelines:
 - The id value must be unique on each web page
 - All values are case-insensitive
 - The id must contain at least one character
 - The id must **not** contain any space characters

Generated HTML for Website

- Select the Generate button
- Copy and paste the HTML code on your website to display the Digital Membership Badge

Important: As each website is unique and can utilize different programming elements contact your webmaster or web host for help in adding your badge code to your site.

When the badge is added, viewers can click the icon from your site to navigate to the [My Gulf Coast Chamber](#).

Go to the Chamber Directory, click on other Chamber member websites to peruse how others display their badges. Following is a Digital Membership Badge displayed on the [Alabama Gulf Coast Zoo](#) website.
